

Expand Your Students' Minds!

Discover how Canobie Lake Park makes your students' group outing the best interactive, educational experience ever!

May 21 & May 28

PHYSICS DAY High school students have a blast watching exciting physics experiments & demonstrations. Your students will gain a broader understanding of how physics principles are applied to Canobie's most thrilling rides! And be sure not to miss **The Gravity of It All**, presented by the McAuliffe-Shepard Discovery Center!

May 21 thru June 25

What do roller blades, gyroscopes, bungee cords & balloons have to do with science? Your students will discover the answers, and much more, by participating in an exciting learning experience that combines entertainment with a variety of extreme scientific demonstrations!

May 21 thru June 25

A Wild Educational Show! Students will be fascinated by this magical show that will teach them about a variety of wild creatures, including snakes, exotic birds, a kangaroo and more!

May 21 & May 28

The McAuliffe-Shepard Discovery Center presents: **THE GRAVITY OF IT ALL**

What do you have to do to escape the pull of gravity? How does gravity produce the weightlessness the astronauts experience in space? What does gravity have to do with Black Holes and time travel? Discover the answers to these questions and more in this fascinating "out-of-this-world" presentation.

June 3

THE INTERACTIVE CLASSROOM

The Interactive Classroom teaches middle school students basic scientific principles in an amusement park setting. Move your science lesson outdoors this spring and join us for a great day of fun & learning! You also don't want to miss the exciting **Comet Show**, presented by the McAuliffe-Shepard Discovery Center.

June 3

COMETS: INTERLOPERS from OUTER SPACE

Where do comets come from? Where do they go? What are they made of? Come and participate in this interactive presentation where you not only learn about comets – you may become one!

ANYTIME

ELEMENTS of FUN

This versatile program is made up of language arts, math & science modules for students in grades 4-7. Using the workbook provided, teachers can develop pre- and post-visit lessons. **ELEMENTS of FUN** can be used any day you choose! **WORKBOOKS*** for **PHYSICS DAY**, **THE INTERACTIVE CLASSROOM** or **ELEMENTS of FUN** will be available online in the spring at www.canobie.com

*If students cannot attend specific dates, teachers can obtain workbooks with many of the same activities at no additional cost.

PLANNING YOUR TRIP

REGISTRATION: Groups, regardless of the size or outing date, must either register online or send in the attached registration card. Upon arrival at the Park, your Group Leader must sign in with the final head count.

PAYMENT: Group Leaders may pay by cash, bank check, money order, organization check (ID required), VISA/MC/Amex. For complete payment options and procedures, visit us online at www.canobie.com/groups.

CHAPERONES: Monday - Friday only, each registered group with over 25 students receives up to one **free Chaperone Pass** per 10 group passes purchased. (No chaperone passes on weekends or holidays.) Extra chaperones must purchase passes. For full chaperone policy, visit: www.canobie.com/groups.

FOOD: Food is not to be brought into the Park. However, students on school sponsored field trips may carry their own personal lunch. Groups may also purchase **Food Vouchers**. For more information see www.canobie.com/groups.

ALL DAY PASSES
Good for Unlimited Rides & Scheduled Shows
Children age 3 & under are **FREE**

Educational Activities for All Grade Levels

High School: PHYSICS DAY
(May 21 & 28)

Middle School: THE INTERACTIVE CLASSROOM
(June 3)

Elementary School: ELEMENTS of FUN
(anytime)

REGULAR RATES
All-Day Pass \$30.00
Juniors under 48" \$21.00
Seniors age 60 or older \$21.00
Evening Pass after 5 pm \$20.00
