### **A Taste of Germany: Canobie Lake Park Announces a 7-week Oktoberfest Celebration This Fall**

*SALEM, NH* – This September, Canobie Lake Park in Salem, New Hampshire, will launch its all-new Oktoberfest event in the center of the Park. Complete with a beer garden serving seasonal brews, traditional German Oktoberfest fare, music, dancing and more, Canobie’s Oktoberfest will be open weekends from September 18 through October 31, 2010.

“This is going to be a truly authentic, festive celebration with all the food, fun and music you’d expect to find at Oktoberfest,” said Chris Nicoli, Canobie’s Marketing and Entertainment Manager. “We now have two major Fall events. Oktoberfest begins in mid-September and our Halloween event – Canobie Lake Park Screeemfest – is taking place in October. Whether you enjoy rides, games, live entertainment, our Oktoberfest celebration, or our haunted houses and Halloween attractions, we will certainly have something for every member of your family to enjoy.”
