SCREEEMFEST Haunts Canobie Lake Park Weekends This Fall *Rides, five terrifying haunted houses, games, live shows, a petting zoo and much more.*

SALEM, NH – Canobie Lake Park in Salem, New Hampshire, offers fun, thrills and chills during the Park’s SCREEEMFEST event, each weekend from September 23rd through October 29th. The Park is the home of one of the best varieties of fall entertainment in all of New England.

There’s fun by day with rides, games – including the Park’s new Puzzle Rooms – and plenty of family-friendly options, that include a petting zoo on Saturday and Sunday afternoons. Then at night, SCREEEMFEST adds fear to all that fun with five terrifying haunted houses, including their newest haunt, “The Culling.” There are roaming “creepy characters” and a monster parade throughout the park, Halloween-themed games and much more.

You can also enjoy a variety of live entertainment at no additional charge during SCREEEMFEST. Canobie’s ROCKtoberfest event features a different legendary rock tribute band each weekend. Also appearing is the live and freaky “SwingShift SideShow,” performing strange feats of physical daring that are truly not for the faint of heart. The “Tribute to Michael: Ghosts” show will thrill audiences from October 13 to October 29.

One low admission price for Canobie Lake Park SCREEEMFEST includes all haunted houses, operating rides, ROCKtoberfest, the Petting Zoo, live entertainment and more. For Park hours, show schedules, dates, directions and information about group discounts, visit canobie.com.
