2019 Food Allergy Guide

Sodexo, the food service provider here at Canobie Lake Park, makes every effort to ensure our Guests' needs are met. We understand that some of our Guests may have food based allergies, and we strive to provide them with detailed information to make their meal choices as hassle-free as possible. The dietary and allergy information used to create these guides has been researched by Sodexo USA. The product ingredient information was derived directly from the product packaging that we receive from our suppliers.

While we attempt to keep this information as current and as accurate as possible, please understand that there are many factors that can affect the accuracy of these guides, including but not limited to temporary product substitutions or cross-contamination (our products are shipped, stored, and transferred alongside other items that may include allergens). As always with any serious food allergy, please use your best judgment when deciding what and what not to eat.

We are happy to provide these guides as a service to our Guests, in hopes that it makes your visit here at Canobie Lake Park as enjoyable as possible. If there is anything else we can do to assist, please do not hesitate to use the contact information below or visit Guest Services at the park entrance. For specific product ingredient lists please use the contact information below. Thanks for visiting and enjoy your day!

The information in this guide has been researched and collected from Sodexo, USA, the food service provider inside Canobie Lake Park. There are multiple factors, beyond our control, including without limitation: misinformation, human error, and ingredient substitutions from food distributors that could prevent the accuracy of this guide. We recognize that eating at the Park can be challenging with a food allergy and that is why we allow any person with a life-threatening allergy to bring his or her own food into the Park.
